(a) Organization. HSTI and UTEK are corporations duly organized, validly existing and in good standing under the laws of their respective states of incorporation, and they have the requisite power and authority to conduct their business and consummate the transactions contemplated by this Agreement. This Agreement constitutes a legal, valid and binding obligation of HSTI, enforceable in accordance with its terms, except as the enforcement may be limited by bankruptcy, insolvency, moratorium, or similar laws affecting creditor's rights generally and by the availability of injunctive relief, specific performance or other equitable remedies.

(e) Litigation Relating to this Agreement. There are no suits, actions or proceedings pending or, to the best of HSTI and UTEK's knowledge, information and belief, threatened, which seek to enjoin the Acquisition or the transactions contemplated by this Agreement or which, if adversely decided, would have a materially adverse effect on the business, results of operations, assets or prospects of HSTI.

(f) No Conflicting Agreements. Neither the execution and delivery of this Agreement nor the fulfillment of or compliance by HSTI or UTEK with the terms or provisions of this Agreement nor all other documents or agreements contemplated by this Agreement and the consummation of the transaction contemplated by this Agreement will result in a breach of the terms, conditions or provisions of, or constitute a default under, or result in a violation of, HSTI or UTEK's articles of incorporation or bylaws, the Technology, the License Agreement, or any agreement, contract, instrument, order, judgment or decree to which HSTI or UTEK is a party or by which HSTI or UTEK or any of their respective assets is bound, or violate any provision of any applicable law, rule or regulation or any order, decree, writ or injunction of any court or government entity which materially affects their respective assets or businesses.

(h) Title to Assets. HSTI has or has agreed to enter into the agreements as listed on Exhibit A attached hereto. These agreements and the assets shown on the balance sheet of attached Exhibit B are the sole assets of HSTI. (d) copies of the general ledgers and books of account of HSTI, and all federal, state and local income, franchise, property and other tax returns filed by HSTI since the inception of HSTI;

(e) certificates of (i) the Secretary of State of the State of Florida as to the legal existence and good standing, as applicable, (including tax) of HSTI in Florida;

(f) the original corporate minute books of HSTI, including the articles of incorporation and bylaws of HSTI, and all other documents filed in this Agreement;

(g) all consents, assignments or related documents of conveyance to give WES the benefit of the transactions contemplated hereunder;

(h) such documents as may be needed to accomplish the Closing under the corporate laws of the states of incorporation of WES and HSTI, and

(i) such other documents, instruments or certificates as WES, or their counsel may reasonably request.

4.08. WES shall have completed due diligence investigation of HSTI to WES's satisfaction in their sole discretion.

4.09. WES shall receive the resignation effective the Closing Date of each director and officer of HSTI.

4.10. WES shall receive from UTEK the sum of US \$450,000 in cash upon the receipt of the share certificate in respect of the WES Shares, which sum shall belong absolutely and unconditionally to HSTI.

ARTICLE 5

INDEMNIFICATION AND LIABILITY LIMITATION

5.01. Survival of Representations and Warranties.

(a) The representations and warranties made by UTEK and HSTI shall survive for a period of 1 year after the Closing Date, and thereafter all such representation and warranties shall be extinguished, except with respect to claims then pending for which specific notice has been given during such 1-year period.

(b) The representations and warranties made by WES shall survive for a period of 1 year after the Closing Date, and thereafter all such representations and warranties shall be extinguished, except with respect to claims then pending for which specific notice has been given during such 1-year period.

5.02 Limitations on Liability. WES agrees that UTEK shall not be liable under this agreement to WES or their respective successor's, assigns or affiliates except where damages result directly from the gross negligence or willful misconduct of UTEK or its employees. In no event shall UTEK's liability exceed the total amount of the fees paid to UTEK under this agreement, nor shall UTEK be liable for incidental or consequential damages of any kind. WES shall indemnify UTEK, and hold UTEK harmless against any and all claims by third parties for losses, damages or liabilities, including reasonable attorneys fees and expenses ("Losses"), arising in any manner out of or in connection with the rendering of services by UTEK under this Agreement, unless it is finally judicially determined that such Losses resulted from the gross negligence or willful misconduct of UTEK. The terms of this paragraph shall survive the termination of this agreement and shall apply to any controlling person, director, officer, employee or affiliate of UTEK.

5.03 Indemnification. WES agrees to indemnify and hold harmless UTEK and its subsidiaries and affiliates and each of its and their officers, directors, principals, shareholders, agents, independent contractors and employees (collectively "Indemnified Persons") from and against any and all claims, liabilities, damages, obligations, costs and expenses (including reasonable attorneys' fees and expenses and costs of investigation) arising out of or relating to matters or arising from this Agreement, except to the extent that any such claim, liability, obligation, damage, cost or expense shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted.

(a) Limitation of Liability. WES agrees that no Indemnified Person shall have any liability as a result of the execution and delivery of this Agreement, or other matters relating to or arising from this Agreement, other than liabilities that shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted. Without limiting the generality of the foregoing, in no event shall any Indemnified Person be liable for consequential, indirect or punitive damages, damages for lost profits or opportunities or other like damages or claims of any kind. In no event shall UTEK's liability exceed the total amount of the fees paid to UTEK under this Agreement.

ARTICLE 6

REMEDIES

6.01 Specific Performance. Each party's obligations under this Agreement are unique. If any party should default in its obligations under this agreement, the parties each acknowledge that it would be extremely impracticable to measure the resulting damages. Accordingly, the non-defaulting party, in addition to any other available rights or remedies, may sue in equity for specific performance, and the parties each expressly waive the defense that a remedy in damages will be adequate.

6.02 Costs. If any legal action or any arbitration or other proceeding is brought for the enforcement of this agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any of the provisions of this agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees and other costs incurred in that action or proceeding, in addition to any other relief to which it or they may be entitled.

ARTICLE 7

ARBITRATION

In the event a dispute arises with respect to the interpretation or effect of this Agreement or concerning the rights or obligations of the parties to this Agreement, the parties agree to negotiate in good faith with reasonable diligence in an effort to resolve the dispute in a mutually acceptable manner. Failing to reach a resolution of this Agreement, either party shall have the right to submit the dispute to be settled by arbitration under the Commercial Rules of Arbitration of the American Arbitration Association. The parties agree that, unless the parties mutually agree to the contrary such arbitration shall be conducted in the State of Florida. The cost of arbitration shall be borne by the party against whom the award is rendered or, if in the interest of fairness, as allocated in accordance with the judgment of the arbitrators. All awards in arbitration made in good faith and not infected with fraud or other misconduct shall be final and binding. The arbitrators shall be selected as follows: one by WES, one by UTEK and a third by the two selected arbitrators. The third arbitrator shall be the chairman of the panel.

ARTICLE 8
MISCELLANEOUS

8.01. No party may assign this Agreement or any right or obligation of it hereunder without the prior written consent of the other parties to this Agreement. No permitted assignment shall relieve a party of its obligations under this Agreement without the separate written consent of the other parties.

8.02. This Agreement shall be binding upon and inure to the benefit of the parties and their respective permitted successors and assigns.

8.03. Each party agrees that it will comply with all applicable laws, rules and regulations in the execution and performance of its obligations under this Agreement.

8.04. This Agreement shall be governed by and construct in accordance with the laws of the State of Florida without regard to principles of conflicts of law.

8.05. This document constitutes a complete and entire agreement among the parties with reference to the subject matters set forth in this Agreement. No statement or agreement, oral or written, made prior to or at the execution of this Agreement and no prior course of dealing or practice by either party shall vary or modify the terms set forth in this Agreement without the prior consent of the other parties to this Agreement. This Agreement may be amended only by a written document signed by the parties.

8.06. Notices or other communications required to be made in connection with this Agreement shall be sent by U.S. mail, certified, return receipt requested, personally delivered or sent by express delivery service and delivered to the parties at the addresses set forth below or at such other address as may be changed from time to time by giving written notice to the other parties.

8.07. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement.

8.08. This Agreement may be executed in multiple counterparts, each of which shall constitute one and a single Agreement.

8.09. Any facsimile signature of any part to this Agreement or to any other agreement or document executed in connection of this Agreement should constitute a legal, valid and binding execution by such parties.
