Section 5 – Corporate Governance and Management

Item 5.02 Appointment of Certain Officers.

World Energy Solutions, Inc. (the “Company”) (OTC BB:[WEGY.OB](#)), a company focused on energy conservation technologies and environmental sustainability, announced today the appointment of Peter W. James as the Chief Operating Officer (“COO”) of the Company, effective immediately.

Peter James is currently on the Board of Directors of World Energy Solutions, first appointed in October, 2006 and has handled the marketing of the major energy efficiency projects now under development. As COO, James will be responsible for the sales and marketing of all current product ranges. In doing this he will develop and implement a marketing plan to ensure the operating profitability in domestic and overseas sectors. Mr. James will also be in charge of attaining manufacturing licenses of new commercially-ready products which have been researched and developed internally. In addition to leading World Energy’s marketing and sales efforts, Mr. James will be responsible for the re-organization of the Company and its corporate governance as the Company continues to grow.

Mr. James has a successful background in international marketing and in selling to the federal, state and municipal governments in the USA. He is a UK qualified CPA and a commercial lawyer with wide experience in dealing with European and Asian markets. He is member of the Spectrum Group, a Washington DC based defense lobbyist consortium, and has relevant trading links in the European Community for energy-efficient products and services. He is a former President of the Cardiff Chamber of Commerce (UK), which was the first City to twin with a Chinese City in 1986. Additionally, he is a former senior officer of the Royal Navy Reserve and formerly Secretary General of CIOR, the NATO agency responsible for its c. 8,000,000 Reserve Forces.
