If your shares are held in the name of a broker, trust, bank or other nominee, and you receive these materials through your broker or through another intermediary, please complete and return the materials in accordance with the instructions provided to you by such broker or other intermediary or contact your broker directly in order to obtain a proxy issued to you by your nominee holder to attend the meeting and vote in person. PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS**

To Be Held May 31, 2023

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of NextPlat Corp, a Nevada corporation (“NextPlat,” the “Company,” “we,” or “our”), for use at the Annual Meeting of the Company’s stockholders to be held on May 31, 2023, at 10:00 AM Eastern Daylight Time, and at any adjournments or postponements of the Annual Meeting. The Annual Meeting will be a virtual meeting to be held as a listen-only conference call by calling 877-407-3088 (toll free). There will not be a physical meeting location. If you encounter any technical difficulties with the virtual meeting platform on the meeting day, please call 877-804-2062 (toll free) or email proxy@equitystock.com.

This proxy statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. We recommend that you submit your proxy even if you plan to attend the Annual Meeting. If you vote by proxy, you may change your vote by submitting a later dated proxy before the deadline or by voting electronically at the Annual Meeting.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. To elect nine Board nominees to the Board of Directors of the Company, each to serve until the next annual meeting of stockholders of the Company, or until such person’s successor is elected and qualified.
2. To ratify the appointment of RBSM LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2023.
3. To approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in this proxy statement.
4. To authorize the adjournment of the Annual Meeting.
5. Such other business that is properly brought before the Annual Meeting or any adjournment or postponement thereof.

WHO MAY ATTEND THE ANNUAL MEETING AND HOW TO ATTEND?

Our Board has fixed the close of business on April 3, 2023, as the record date for a determination of stockholders of NextPlat common stock entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof (the “Record Date”). Record holders and beneficial owners may attend the Annual Meeting (via phone call). Set forth below is a summary of the information you need to attend the virtual Annual Meeting:

- Access an audio-only conference call by calling 877-407-3088 (toll free) or +1 877-407-3088 (International);
- Instructions on how to attend and participate in the virtual Annual Meeting, including how to demonstrate proof of stock ownership, are also available as follows:

Stockholders of Record

- Stockholders of record as of the Record Date can attend the special meeting by accessing the live audio conference call at +1-877-407-3088 and presenting the unique 12-digit control number on the proxy card.

Beneficial Owners

- If you were a beneficial owner of record as of the Record Date (i.e., you held your shares in an account at a brokerage firm, bank or other similar agent), you will need to obtain a legal proxy from your broker, bank or other agent. Once you have received a legal proxy from your broker, bank or other agent, it should be emailed to our transfer agent, Equity Stock Transfer, at proxy@equitystock.com and should be labeled “Legal Proxy” in the subject line. Please include proof from your broker, bank or other agent of your legal proxy (e.g., a forwarded email from your broker, bank or other agent with your legal proxy attached, or an image of your valid proxy attached to your email). Requests for registration must be received by Equity Stock Transfer no later than 5:00 p.m. Eastern Time, on May 29, 2023. You will then receive a confirmation of your registration, with a control number, by email from Equity Stock Transfer. At the time of the meeting, access the live audio conference call at +1-877-407-3088 and present your unique 12-digit control number.

HOW DO I PARTICIPATE IN AND VOTE AT THE ANNUAL MEETING?

If you were a shareholder of record at the close of business on the Record Date, you can participate and vote your shares in the Annual Meeting by visiting www.nextplat.vote and entering the 12-digit control number included on your Proxy Card.

If you were a beneficial owner of shares held in street name at the close of business on the Record Date, you can participate and vote at the meeting by obtaining a legal proxy from your nominee and emailing a copy to proxy@equitystock.com no later than 5:00 p.m. Eastern Time, on May 29, 2023. You will be able to vote your shares at the meeting by going to www.nextplat.vote and entering the same control number used to enter the meeting.

Even if you plan to attend the Annual Meeting, we recommend that you also vote by proxy as described below so that your vote will be counted if you later decide not to participate in the Annual Meeting.

On the Record Date, we had 14,441,025 shares of issued and outstanding shares of NextPlat common stock entitled to vote at the Annual Meeting.

HOW DO I VOTE WITHOUT PARTICIPATING IN THE ANNUAL MEETING?

Shareholders of record may vote without participating in the Annual Meeting by any of the following means:

1. *By Internet.* The website address for Internet voting is www.nextplat.vote.
2. *By Email.* Mark, date, sign and email the enclosed Proxy Card to proxy@equitystock.com.
3. *By Mail.* Mark, date, sign and mail promptly the enclosed Proxy Card (a self-addressed envelope is provided for your convenience for mailing in the United States).
4. *By Fax.* Mark, date, sign and fax the enclosed Proxy Card to 646-201-9006.

If you vote by Internet, fax or email, please **do not** mail your Proxy Card.

Because of possible delays with the mail, we recommend you use the Internet or Fax to vote. If you are a beneficial owner of shares held in street name, you must email to proxy@equitystock.com a legal proxy from your nominee authorizing you to vote your shares at least 2 business days prior to the Annual Meeting. Once submitted, you will receive a control number enabling you to vote your shares by any of the means set forth above.

HOW DO I ACCESS THE PROXY MATERIALS OVER THE INTERNET?

Notice of Annual Stockholder Meeting, our proxy statement and our annual report on Form 10-K for the fiscal year ended December 31, 2022 (the “Annual Report”) are available online at www.nextplat.vote.

WHAT IF I HAVE TECHNICAL DIFFICULTIES OR TROUBLE ACCESSING THE VIRTUAL ANNUAL MEETING?

We will have technicians ready to assist you with any technical difficulties you may have in accessing the virtual Annual Meeting. If you encounter any difficulties, please call: 877-804-2062 (toll free) or email proxy@equitystock.com.

HOW MANY VOTES DO I HAVE?

Each share of common stock is entitled to one vote on each matter presented at the Annual Meeting. Cumulative voting is not permitted.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present on May 31, 2023. The presence in person or by proxy of at least a majority of our common stock outstanding as of the Record Date will constitute a quorum and is required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

Abstentions and broker non-votes are treated as shares present or represented at the meeting but are not counted as votes cast. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the Annual Meeting or not, we urge you to submit your proxy even if you plan to attend the Annual Meeting. If you vote by proxy, you may change your vote by submitting a later dated proxy before the deadline or by voting electronically at the Annual Meeting.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board as follows:

1. “FOR” each of the nine nominees for election to our Board of Directors.
2. “FOR” the ratification of the appointment of RBSM LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.
3. “FOR” approval of the advisory (non-binding) resolution approving the compensation of the Company’s named executive officers.
4. “FOR” authorization of an adjournment of the Annual Meeting.
5. In their discretion, upon such other matters as may properly come before the meeting.

If any other matters are presented, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

IF MY SHARES ARE HELD IN “STREET NAME” BY A BROKER, BANK OR OTHER AGENT, WILL MY BROKER, BANK OR OTHER NOMINEE VOTE MY SHARES FOR ME?

If your shares are held in “street name” in a stock brokerage account or by a broker, bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in “street name” by returning a proxy card directly to NextPlat or by voting in person (which would include presence at a virtual meeting) at the Annual Meeting unless you provide a “legal proxy”, which you must obtain from your broker, bank or other agent.

Under the rules of Nasdaq, brokers who hold shares in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are not permitted to exercise their voting discretion with respect to the approval of matters that Nasdaq determines to be “non-routine” without specific instructions from the beneficial owner. Broker non-votes occur when a broker or nominee is not instructed by the beneficial owner of shares to vote on a particular proposal for which the broker does not have discretionary voting power.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

1. You may send in another proxy with a later date.
2. You may notify us in writing (or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting that you are revoking your proxy.
3. You may vote in person (which would include presence at the virtual meeting) at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors.

A plurality of the eligible votes cast is required to elect director nominees, and as such, the nine nominees who receive the greatest number of “FOR” votes cast by stockholders, entitled to vote at the meeting, will be elected. A nominee who receives a plurality means he or she has received more “FOR” votes than any other nominee for the same director’s seat. Broker non-votes and abstentions will have no effect on this proposal.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm.

The approval of Proposal 2 requires the affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

Proposal 3: Approval of the advisory resolution approving the compensation of our named executive officers.

The approval of proposal 3 requires the affirmative vote of at least a majority of the shares of Common Stock present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

Proposal 4: Authorization of an adjournment of the Annual Meeting.

The approval of Proposal 4 requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

Other Business That Is Properly Brought Before the Annual Meeting

If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares in its discretion on routine matters. However, absent your instructions, the record holder will not be permitted to vote your shares on a non-routine matter, which are referred to as “broker non-votes”, properly brought before the meeting. Broker non-votes (shares held by brokers that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients) are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that proposal but will be counted in determining whether there is a quorum present.

ARE THERE ANY RIGHTS OF APPRAISAL?

The Board of Directors is not proposing any action for which the laws of the State of Nevada, our certificate of incorporation or our bylaws provide a right of a stockholder to obtain appraisal of or payment for such stockholder’s shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

We will pay for the entire cost of soliciting proxies. In addition to solicitation by mail, our directors, our executive officers and certain of our employees may, without additional compensation, solicit proxies by mail, in person, by telephone or other electronic means or by means of press release or other public statements.

We may also reimburse brokerage firms, banks and other agents for the cost of forwarding our proxy materials to beneficial owners.

WHERE ARE NEXTPLAT’S PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of NextPlat are located at 3520 Mary St., Suite 410, Coconut Grove, FL 33133 and our telephone number is (305) 560-5355.

No director is related to any other director or executive officer of our company or our subsidiaries, and, there are no arrangements or understandings between a director and any other person pursuant to which such person was elected as director.

GOVERNANCE OF THE COMPANY

Our Board of Directors

Our Board oversees the business affairs of the Company and monitors the performance of management. Pursuant to our Bylaws, the Board shall consist of no less than one director. Our Board of Directors had 6 meetings in 2022. In addition, members of the Board discussed various business matters informally on numerous occasions throughout 2022 and acted by written consent in lieu of formal meetings 11 times. We believe that such interaction between the Board and management provided proper oversight of the Company. Each incumbent director attended at least 75% of the total number of meetings of the Board and committee meetings of which such director was a member (held during the period for which such director was in office).

Our Board is currently comprised of nine members, six of whom are independent directors per the NASDAQ Stock Market rules. We believe the size of our Board is sufficient for a company of our size.

Director Independence

The rules of the Nasdaq Stock Market, or the Nasdaq Rules, require a majority of a listed company's board of directors to be composed of independent directors. In addition, the Nasdaq Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and governance committees be independent. Under the Nasdaq Rules, a director will only qualify as an independent director if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq Rules also require that audit committee members satisfy independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries. In considering the independence of compensation committee members, the Nasdaq Rules require that our board of directors must consider additional factors relevant to the duties of a compensation committee member, including the source of any compensation we pay to the director and any affiliations with our company.

Our Board undertook a review of the composition of our Board and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board has determined that each of our directors, with the exception of David Phipps, Douglas Ellenoff and Charles M. Fernandez, are independent as defined under the Nasdaq Rules.

Board Committees

We have established a Nominating Committee, an Audit Committee and a Compensation Committee. Our Board of Directors has adopted and approved a charter for each of these standing committees.

Audit Committee. The members of the Audit Committee are Rodney Barreto, Maria Cristina Fernandez, and Louis Cusimano. Each member of the Audit Committee is independent as defined by the Nasdaq Rules. Rodney Barreto is the Chairperson of the Audit Committee. In addition, each member of the Audit Committee satisfies the additional requirements of the SEC and Nasdaq Rules for audit committee membership, including the additional independence requirements and the financial literacy requirements. The Board has determined that at least one member of the Audit Committee, Rodney Barreto, is an “audit committee financial expert” as defined in the SEC’s rules and regulations. The primary purpose of the Audit Committee is to oversee the quality and integrity of our accounting and financial reporting processes and the audit of our financial statements. The Audit Committee is responsible for selecting, compensating, overseeing and terminating the selection of our independent registered public accounting firm. During 2022, our Audit Committee had five meetings and acted by written consent three times.

Nominating Committee. The members of the Nominating Committee are Maria Cristina Fernandez, Louis Cusimano, and Rodney Barreto. Maria Cristina Fernandez is the Chairperson of the Nominating Committee. Each member of the Nominating Committee is independent as defined by Nasdaq Rules. The primary functions and responsibilities of the Nominating Committee are to: (a) determine the qualifications, qualities, skills, and other expertise required to be a director; (b) identify and screen individuals qualified to become members of the Board; (c) make recommendations to the Board regarding the selection and approval of the nominees for director; and (d) review and assess the adequacy of our corporate governance policies and procedures. During 2022, our Nominating Committee had one meeting and acted by written consent twice.

Compensation Committee. The members of the Compensation Committee are Hector Delgado, Louis Cusimano, and John Miller. Hector Delgado is the Chairperson of the Compensation Committee. Each member of the Compensation Committee is independent as defined by Nasdaq Rules. The Compensation Committee is responsible for, among other things, reviewing and making recommendations to the Board of Directors with respect to the annual compensation for our Chief Executive Officer. The Compensation Committee also is responsible for reviewing and making recommendations to the Board of Directors the annual compensation and benefits for our other executive officers. The Compensation Committee also, among other things, reviews compensation of the Board, reviews and makes recommendations on all new executive compensation programs that are proposed for adoption and administers the Company’s equity incentive plans. The Compensation Committee is responsible for reviewing director compensation for service on the Board and Board committees at least once a year and to recommend any changes to the Board. During 2022, our Compensation Committee had one meetings and acted by written consent twice.

Our Chief Executive Officer reviews the performance of our other executive officers (other than himself) and, based on that review, our Chief Executive Officer makes recommendations to the Compensation Committee about the compensation of executive officers (other than himself). Our Chief Executive Officer does not participate in any deliberations or approvals by the Board or the Compensation Committee with respect to his own compensation.

Board Member Attendance at Annual Meetings

We do not have a formal policy regarding Board attendance at our annual meetings, however, all of our directors are invited to the annual meeting and all of our directors at the time attended our prior annual meeting.

Board Leadership Structure and Role in Risk Oversight

Mr. Fernandez is our Chief Executive Officer, Executive Chairman, and a director. The Board believes that Mr. Fernandez is best situated to serve as Executive Chairman because he will be the director most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. Hector Delgado, our Lead Independent Director, brings experience, oversight, and expertise from outside the Company and from a variety of industries, while the Chief Executive Officer brings extensive experience and expertise specifically related to the Company’s business. The Board believes the current combined role of Executive Chairman and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the current combined role of Executive Chairman and Chief Executive Officer, combined with having a lead independent director, is in the best interest of stockholders because it provides the appropriate balance between strategy development and independent oversight of management.

Our Board is primarily responsible for overseeing our risk management processes on behalf of the Company. The Board receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our Company's assessment of risks. The Board focuses on the most significant risks facing our Company and our Company's general risk management strategy, and also ensures that risks undertaken by our Company are consistent with the Board's appetite for risk. While the Board oversees our Company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

Hector Delgado serves as the Lead Independent Director of our Board. As Lead Independent Director, Mr. Delgado is responsible for, among other things:

- providing leadership to the independent directors;
- leading executive sessions of the Board's independent directors;
- serving as the principal liaison between the Chairman and the independent directors;
- advising the Board on matters where there may be an actual or perceived conflict of interest;
- approving all information sent to the Board and approving the agendas for all Board meetings; and
- perform functions incidental or related to the foregoing.

Our Board believes that by maintaining a Lead Independent Director position, it has designed a governance structure that best advances the Company's objectives, while maintaining proper checks and balances on senior management, and providing the independent members of the Board with open and transparent communication regarding our strategic planning activities.

Our management is responsible for managing risks in our business, including developing processes to manage and monitor risks. The Board views its role as one of oversight. The Board focuses on understanding management's risk management systems, the effectiveness of those systems, and the way in which management proactively manages risks. In addition, the Board utilizes the Nominating Committee, the Audit Committee, and the Compensation Committee to manage risks that arise under each committee's area of focus.

Nomination of Director Candidates

We receive suggestions for potential director nominees from many sources, including members of the Board, advisors, and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairperson of the Nominating Committee in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. Our Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying director candidates, but seeks a diverse group of candidates who possess the background, skills, and expertise to make a significant contribution to the Board, to the Company and our stockholders. Candidates whose evaluations are favorable are recommended by our Nominating Committee to the full Board for consideration. The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to our Board at any annual meeting at which the Board has determined that one or more directors will be elected must submit a written notice of his or her nomination of a candidate to the Chairperson of the Nominating Committee (c/o the Corporate Secretary), providing the candidate's name, biographical data and other relevant information together with a consent from the nominee. The submission must be received at our principal executive offices 120 days prior to the anniversary date of the mailing date of our previous year's proxy statement so as to permit the Board time to evaluate the qualifications of the nominee.

We have not employed an executive search firm, or paid a fee to any other third party, to locate qualified candidates for director positions.

Stockholder Communications with Directors

Persons wishing to write to our Board, or to a specified director or committee of the Board, should send correspondence to the Corporate Secretary at NextPlat Corp, 3520 Mary St., Suite 410, Coconut Grove, Florida 33133. Electronic submissions of stockholder correspondence will not be accepted.

Examples of communications that would not be appropriate for consideration by the directors include commercial solicitations and matters not relevant to the stockholders, to the functioning of the Board or to the affairs of NextPlat. Any correspondence received that is addressed generically to the Board will be forwarded to the Chairman of the Board.

Code of Ethics

The Board has adopted a Code of Business Conduct and Ethics that is applicable to the Company and to all our directors and officers and persons performing similar functions, including our principal executive officer and principal financial officer. A copy of the Company's Code of Ethics may be obtained on our website at www.nextplat.com. Long-Term Incentives

2018 Incentive Plan

On June 14, 2018, our Board of Directors approved the 2018 Incentive Plan (the “2018 Plan”). The purpose of the 2018 Plan is to provide a means for the Company to continue to attract, motivate and retain management, key employees, consultants and other independent contractors, and to provide these individuals with greater incentive for their service to the Company by linking their interests in the Company’s success with those of the Company and its shareholders. An award may also be granted to any consultant, agent, advisor or independent contractor for bona fide services rendered to the Company or any Related Company (as defined in the 2018 Plan) that; are not in connection with the offer and sale of the Company’s securities in a capital raising transaction, and do not directly or indirectly promote or maintain a market for the Company’s securities. The 2018 Plan is administered by the Board or its Compensation Committee and may grant Options designated as Incentive Stock Options or Nonqualified Stock Options. The 2018 Plan provides that up to a maximum of 13,333 shares of the Company’s common stock (subject to adjustment) are available for issuance under the 2018 Plan. Subject to earlier termination in accordance with the terms of the 2018 Plan and the instrument evidencing the option, the maximum term of an incentive stock option shall not exceed ten years, and in the case of an incentive stock option granted to a Ten Percent Stockholder (as defined in the 2018 Plan), shall not exceed five years. Any portion of an option that is not vested and exercisable on the date of a plan participant’s Termination of Service (as defined in the 2018 Plan) shall expire on such date. In the event of a Change in Control (as defined in the 2018 Plan); all outstanding awards, other than performance shares and performance units, shall become fully and immediately exercisable, and all applicable deferral and restriction limitations or forfeiture provisions shall lapse, immediately prior to the Change in Control and shall terminate at the effective time of the Change in Control; provided, however, that with respect to a Change in Control that is a Company Transaction (as defined in the 2018 Plan), such awards shall become fully and immediately exercisable, and all applicable deferral and restriction limitations or forfeiture provisions shall lapse, only if and to the extent such awards are not converted, assumed or replaced by the Successor Company (as defined in the 2018 Plan).

Amended and Restated 2020 Equity Incentive Plan

On August 21, 2020, the Company’s Board of Directors approved and adopted the Company’s 2020 Equity Incentive Plan (the “2020 Plan”) in order to provide a means for the Company to continue to attract, motivate and retain management, key employees, directors and consultants. On December 31, 2021, the Company’s Board of Directors approved and adopted an amendment that increased the number of shares available for issuance under the 2020 Plan from 450,000 shares to 800,000 shares of the Company’s common stock. On August 10, 2021, the Company’s Board of Directors further amended the 2020 Plan and adopted and approved an Amended and Restated 2020 Equity Incentive Plan (the “A&R 2020 Plan”), in order to, among other things: (i) clarify that the exercise price of stock options will be set at “Fair Market Value,” and (ii) make conforming revision to reflect the 1-for-5 reverse split that was effective on May 28, 2021. The A&R 2020 Plan was approved by the Company’s stockholders on December 16, 2021, at the Company’s 2021 Annual Meeting of Stockholders.

The A&R 2020 Plan provides for discretionary awards of, among others, stock options, stock awards, stock unit awards and stock appreciation rights to participants. Each award made under the A&R 2020 Plan will be evidenced by a written award agreement specifying the terms and conditions of the award as determined by the Committee in its sole discretion, consistent with the terms of the A&R 2020 Plan. All employees, directors, and consultants of the Company and its subsidiaries are eligible to receive awards under the A&R 2020 Plan.

The A&R 2020 Plan is administered by the “Committee” which is defined in the A&R 2020 Plan as the Compensation Committee of the Board or such other committee as may be designated by the Board from time to time to administer the Plan, or, if no such committee has been designated at the time of any grants, it shall mean the Board.

The number of shares of common stock that may be issued under the A&R 2020 Plan is 800,000. Shares issuable under the A&R 2020 Plan may be authorized but unissued shares or treasury shares. If there is a lapse, forfeiture, expiration, termination or cancellation of any award made under the A&R 2020 Plan for any reason, the shares subject to the award will again be available for issuance. Any shares subject to an award that are delivered to us by a participant, or withheld by us on behalf of a participant, as payment for an award or payment of withholding taxes due in connection with an award will not again be available for issuance, and all such shares will count toward the number of shares issued under the A&R 2020 Plan. The number of common shares issuable under the A&R 2020 Plan is subject to adjustment, in the event of any reorganization, recapitalization, stock split, stock distribution, merger, consolidation, split-up, spin-off, combination, subdivision, consolidation or exchange of shares, any change in the capital structure of the company or any similar corporate transaction. In each case, the Committee has the discretion to make adjustments it deems necessary to preserve the intended benefits under the A&R 2020 Plan. No award granted under the A&R 2020 Plan may be transferred, except by will, the laws of descent and distribution.

The maximum number of shares subject to Awards granted under the A&R 2020 Plan or otherwise during any one calendar year to any Director for service on the Board (other than to Mr. Phipps and the Company’s CEO and President, if serving on the Board, to whom no annual limit is applicable), taken together with any cash fees paid by the Company to such Director during such calendar year for service on the Board, will not exceed \$100,000 in total value (calculating the value of any such Awards based on the grant date fair value or such value as determined by the Board, at its discretion, of such Awards for financial reporting purposes).

The Committee may amend any award agreement at any time, provided that no amendment may adversely affect the right of any participant under any agreement in any material way without the written consent of the participant, unless such amendment is required by applicable law, regulation or stock exchange rule. The Board may terminate, suspend or amend the A&R 2020 Plan, in whole or in part, from time to time, without the approval of the shareholders, unless such approval is required by applicable law, regulation or stock exchange rule, and provided that no amendment may adversely affect the right of any participant under any outstanding award in any material way without the written consent of the participant, unless such amendment is required by applicable law, regulation or rule of any stock exchange on which the shares are listed. Notwithstanding the foregoing, neither the A&R 2020 Plan nor any outstanding award agreement can be amended in a way that results in the repricing of a stock option. Repricing is broadly defined to include reducing the exercise price of a stock option or cancelling a stock option in exchange for cash, other stock options with a lower exercise price or other stock awards. No awards may be granted under the A&R 2020 Plan on or after the tenth anniversary of the effective date of the A&R 2020 Plan.

2021 Incentive Award Plan

The Company’s Board of Directors approved and adopted the 2021 Incentive Award Plan (“2021 Plan”), subject to stockholder approval, on August 10, 2021. The 2021 Plan was approved by the Company’s stockholders on December 16, 2021, at the Company’s 2021 Annual Meeting of Stockholders.

The purpose of the 2021 Plan is to enhance the Company's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company and its subsidiaries by providing these individuals with equity ownership opportunities.

The number of shares initially available for issuance under awards granted pursuant to the 2021 Plan is 768,819 shares of common stock. The number of shares initially available for issuance will be increased on January 1 of each calendar year beginning in 2022 and ending in 2031, by an amount equal to the lesser (A) an amount such that the resulting sum (the new "Overall Share Limit") is equal to 12% of the aggregate number of shares of Common Stock outstanding on the final day of the immediately preceding calendar year and (B) such smaller number of shares of Common Stock as is determined by the Board. Shares issued under the 2021 Plan may be authorized but unissued shares, shares purchased in the open market or treasury shares. If an award under the 2021 Plan expires, lapses or is terminated, exchanged for cash, surrendered to an exchange program, repurchased, cancelled without having been fully exercised or forfeited, any shares subject to such award will, as applicable, become or again be available for new grants under the 2021 Plan.

All employees, directors, and consultants of the Company and its subsidiaries are eligible to receive awards under the 2021 Plan. As of December 31, 2022, eighteen individuals are eligible to receive awards under the 2021 Plan.

The 2021 Plan is generally administered by the Board, which may delegate its duties and responsibilities to committees of Board and or officers of the Company (referred to collectively as the "plan administrator"). The plan administrator will have the authority to make all determinations and interpretations under, prescribe all forms for use with, and adopt rules for the administration of, the 2021 Plan, subject to its express terms and conditions. The plan administrator will also set the terms and conditions of all awards under the 2021 Plan, including any vesting and vesting acceleration conditions. The plan administrator may also institute and determine the terms and conditions of an "exchange program," which could provide for the surrender or cancellation, transfer, or reduction or increase of exercise price, of outstanding awards, subject to the limitations provided for in the Incentive Award Plan.

The 2021 Plan provides for the grant of stock options, including incentive stock options, or ISOs, and nonqualified stock options, or NSOs; restricted stock; dividend equivalents; restricted stock units, or RSUs; stock appreciation rights, or SARs; and other stock or cash-based awards. All awards under the 2021 Plan will be set forth in award agreements, which will detail the terms and conditions of the awards, including any applicable vesting and payment terms and post-termination exercise limitations.

Other Stock or Cash Based Awards may be granted to participants, including awards entitling participants to receive Shares to be delivered in the future and including annual or other periodic or long-term cash bonus awards (whether based on specified performance criteria or otherwise), in each case subject to any conditions and limitations in the 2021 Plan. The plan administrator will determine the terms and conditions of other stock or cash-based awards.

Performance awards include any of the foregoing awards that are granted subject to vesting and/or payment based on the attainment of specified performance goals or other criteria the plan administrator may determine, which may or may not be objectively determinable. Performance criteria upon which performance goals are established by the plan administrator.

In connection with certain transactions and events affecting the Company's Common Stock, including a change in control (as defined in the 2021 Plan), or change in any applicable laws or accounting principles, the plan administrator has broad discretion to take action under the 2021 Plan to prevent the dilution or enlargement of intended benefits, facilitate such transaction or event, or give effect to such change in applicable laws or accounting principles. This includes canceling awards in exchange for either an amount in cash or other property with a value equal to the amount that would have been obtained upon exercise or settlement of the vested portion of such award or realization of the participant's rights under the vested portion of such award, accelerating the vesting of awards, providing for the assumption or substitution of awards by a successor entity, adjusting the number and type of shares available, replacing awards with other rights or property and/or terminating awards under the 2021 Plan.

On August 24, 2021, Douglas S. Ellenoff was appointed to the positions of Chief Business Development Strategist of the "Company" and Vice Chairman of the Board of Directors of the Company. The appointment was made on the approval and recommendation of the Nominating Committee of the Board. Mr. Ellenoff was not appointed to any committees of the Board.

In connection with Mr. Ellenoff's appointment to the position of Chief Business Development Strategist of the Company, Mr. Ellenoff and the Company entered into a three year Employment Agreement, dated August 24, 2021, which is also referred to herein as the "Ellenoff Agreement". Under the Ellenoff Agreement, which sets forth the terms of his employment, including with regard to compensation. Mr. Ellenoff will be nominated and renominated to serve on the Board during the term of the agreement. Under the terms of the Ellenoff Employment Agreement, Mr. Ellenoff will receive, in lieu of cash compensation: (i) a restricted stock award of 100,000 shares of Common Stock of the Company, 40,000 of which will be issued within 5 business days of the execution of the Ellenoff Employment Agreement and vest immediately, and the remaining 60,000 of which will be issued and vest at the rate of 20,000 shares at the end of each of the next three annual anniversaries of his employment, provided that Mr. Ellenoff serves on the Board at any time during such year; and (ii) options to purchase a total of 1,500,000 shares of the Corporation's Common Stock, 300,000 of which will issued within 5 business days of the execution of the Ellenoff Employment Agreement and vest immediately, 150,000 of which will vest on each of the next three annual anniversaries of the commencement of his employment, and the remaining 750,000 of which will vest at the rate of 250,000 per year on each of the first three anniversaries of the commencement of his employment if during each such year Mr. Ellenoff introduces the Company to twelve (12) or more potential Business Transactions (as defined in the Ellenoff Employment Agreement and which transactions need not be consummated); provided that the Company's Chief Executive Officer may, in his sole discretion, waive the vesting requirement in any given year. Such options have an exercise price of \$5.35 per share and will terminate 5 years after they vest. These equity awards to Mr. Ellenoff were material to induce Mr. Ellenoff to enter into the Ellenoff Employment Agreement and were issued outside of a shareholder approved stock or option plan pursuant to the Nasdaq "inducement grant" exception (Nasdaq Listing Rule 5635(c)(4)).

Potential Payments Upon Termination or Change-in-Control

In the event of a termination of Mr. Fernandez's or Mr. Phipps' (the "Subject Employees") employment as a result of his death or Total Disability (as defined in the respective employment agreement) the Subject Employee or his estate or beneficiaries, as applicable, will be entitled to the following severance benefits: (i) continued provision for a period of twelve (12) months following the Subject Employee's death or Total Disability of benefits under the Company's benefit plans extended by the Company to its senior employees; and (ii) payment on a pro-rated basis of any bonus or other payments earned prior to the date of termination in connection with any bonus plan to which the Subject Employee was a participant as of the date of death or Total Disability.

In the event of a termination of a Subject Employee's employment due to the expiration of the term of the respective employment agreement, and where the Company offered to renew the term of employment and the Subject Employee chooses not to continue in the employ of the Company, the Subject Employee will not be entitled to any severance benefits.

Upon termination of employment by the Subject Employee for "good reason" (as defined in the respective employment agreement) or if the Company tenders a non-renewal notice to the Subject Employee without "Cause" (as defined in the respective employment agreement), then the Subject Employee will be entitled to the following severance benefits: (i) a cash payment, based on the current scale of the Subject Employee's base salary, equal to six months of base salary; (ii) continued provision for a period of twelve (12) months after the date of termination of the benefits under the Company's benefit plans extended by the Company to its senior employees; (iii) payment on a pro-rated basis of any bonus or other payments earned in connection with any bonus plan to which the Subject Employee was a participant as of the date of the Subject Employee's termination of employment; and (iv) any options or restricted stock will be immediately vested upon termination of Subject Employee's employment.

Upon termination of the Subject Employee's employment at the Subject Employee's option (without good reason) or by the Company for "Cause," then the Subject Employee will be entitled to the following benefits: (i) continued provision, for a period of one (1) month after the date of the Subject Employee's termination of employment, of benefits under the Company's benefit plans extended to the Employee at the time of termination and (ii) any conversion rights available under the Company's benefit plans and as otherwise provided by law, including the Comprehensive Omnibus Budget Reconciliation Act.

In addition, notwithstanding the vesting schedule set forth in May Restricted Stock Agreement, full vesting of Mr. Fernandez's RSA will occur upon a Change in Control, as that term is defined in the May Restricted Stock Agreement pursuant to which the RSA was made. If Mr. Fernandez's employment is terminated for any reason at any time by the Company prior to the full vesting of the RSA without "Cause" (as that term is defined in the June Agreement), the RSA will vest and Mr. Fernandez will receive all right, title and interest in the balance of the securities granted to him in the RSA.

In the event of a termination of Mr. Ellenoff's employment as a result of his death, his Total Disability (as defined in the Ellenoff Employment Agreement), the expiration of the initial term of the Ellenoff Employment Agreement, Mr. Ellenoff's resignation for any reason or no reason (upon thirty (30) days prior written notice), or for "Cause" (as defined in the Ellenoff Employment Agreement); then, in addition to the reimbursement of documented, unreimbursed expenses incurred prior to such date, Mr. Ellenoff or his estate or beneficiaries, as applicable, will be entitled to receive any RSAs and options earned and/or vested through the such date, but all other RSAs and options shall immediately terminate. Upon termination of Mr. Ellenoff's employment (as defined in the Ellenoff Employment Agreement), in addition to the reimbursement of documented, unreimbursed expenses incurred prior to such date, Mr. Ellenoff will be entitled to receive any RSAs and options provided for under the Ellenoff Employment Agreement; any RSAs and Options that previously had not been vested will immediately vest, and any RSAs or Options contemplated by the Ellenoff Employment Agreement that had not yet been issued to Mr. Ellenoff will be promptly issued by the Company.

In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to average total compensation for the named executive officers as a group (excluding Mr. Fernandez) for each year to determine the compensation actually paid, using the same methodology described above in Note (2):

No dividends were paid on stock or option awards in 2021 or 2022.

(6) The dollar amounts reported represent the amount of net income (loss) reflected in our consolidated audited financial statements for the applicable year.

Analysis of the Information Presented in the Pay Versus Performance Table

In accordance with Item 402(v) of Regulation S-K, we are providing the following descriptions of the relationships between information presented in the Pay Versus Performance table on compensation actually paid (CAP) and each of TSR and net loss.

We do not utilize TSR and net loss in our executive compensation program. However, we do utilize several other performance measures to align executive compensation with our performance. As described in more detail above in the section “Employment Agreements,” part of the compensation our PEO and NEOs are eligible to receive consists of performance-based cash bonuses that are designed to provide appropriate incentives to our executives to achieve defined annual corporate goals and to reward our executives for individual achievement towards these goals, subject to certain employment criteria. Additionally, we view restricted stock and stock options, which are an integral part of our executive compensation program, as related to company performance although not directly tied to TSR, because they provide value only if the market price of our common stock increases, and if the executive officer continues in our employment over the vesting period. These restricted stock and stock option awards strongly align our executive officers’ interests with those of our stockholders by providing a continuing financial incentive to maximize long-term value for our stockholders and by encouraging our executive officers to continue in our employment for the long-term.

All information provided above under the “Pay Versus Performance” heading will not be deemed to be incorporated by reference in any filing of our company under the Securities Act of 1933, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

PROPOSAL 3: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement. This proposal, which is often referred to as a "say-on-pay" proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act").

Our executive compensation program is designed to attract, motivate, and retain our executive officers, who are critical to our success. As described in the section entitled "Execution Compensation", our executive compensation program contains elements of cash and equity-based compensation. The base salaries paid to our executive officers, including our Chief Executive Officer and Chief Financial Officer, are based on the employment agreements (as later amended) we entered into with each of them. We believe our program is designed to align the interests of our named executive officers with those of our stockholders and to reward our named executive officers for the achievement of our near-term and longer-term financial and strategic goals.

The Board of Directors is asking our stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed in our proxy statement for the 2023 Annual Meeting pursuant to the rules of the Securities and Exchange Commission, including the compensation tables and any other related disclosure, is hereby APPROVED.

Though this proposal calls for a non-binding advisory vote, our Board and Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Vote Required and Board Recommendation

The approval of this proposal requires the affirmative vote of at least a majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

The Board unanimously recommends that stockholders vote "FOR" approval, on an advisory basis, of the resolution approving the compensation of the Company's named executive officers.

PROPOSAL 4: AUTHORIZATION TO ADJOURN THE ANNUAL MEETING

If the Annual Meeting is convened and a quorum is present, but there are not sufficient votes to approve Proposal 2 or Proposal 3, one or more of our proxy holders may move to adjourn the Annual Meeting at that time in order to enable our Board to solicit additional proxies.

In this proposal, we are asking our stockholders to authorize one or more of our proxy holders to adjourn the Annual Meeting to another time and place, if necessary, to solicit additional proxies in the event that there are not sufficient votes to approve Proposal 2 or Proposal 3. If our stockholders approve this proposal, one or more of our proxy holders can adjourn the Annual Meeting and any adjourned session of the Annual Meeting to allow for additional time to solicit additional proxies, including the solicitation of proxies from our stockholders that have previously voted. Among other things, approval of this proposal could mean that, even if we had received proxies representing a sufficient number of votes to defeat Proposal 2 or Proposal 3, we could adjourn the Annual Meeting without a vote on such proposals and seek to convince our stockholders to change their votes in favor of such proposals.

If it is necessary to adjourn the Annual Meeting, no notice of the adjourned meeting is required to be given to our stockholders, other than an announcement at the Annual Meeting of the time and place to which the Annual Meeting is adjourned, so long as the meeting is adjourned for 30 days or less and no new record date is fixed for the adjourned meeting. At the adjourned meeting, we may transact any business which might have been transacted at the original meeting.

Vote Required and Recommendation of the Board of Directors

The approval of Proposal 4 requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

The Board unanimously recommends that stockholders vote “FOR” the approval to authorize the adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are not sufficient votes in favor of Proposal 2 or Proposal 3.

AVAILABILITY OF ANNUAL REPORT ON FORM 10-K

Notice of Annual Stockholder Meeting, our proxy statement and our annual report on Form 10-K for the fiscal year ended December 31, 2022 (the Annual Report) are available online at www.nextplat.vote.

A copy of our 2022 Annual Report on Form 10-K has been mailed concurrently with this proxy statement to stockholders entitled to notice of and to vote at the Annual Meeting, provided that we have not included the exhibits to the Form 10-K. We will provide copies of these exhibits without cost upon request by eligible stockholders. Requests for copies of such exhibits should be mailed to NextPlat Corp, 3520 Mary St., Suite 410, Coconut Grove, FL, Attention: Corporate Secretary.

OTHER PROPOSED ACTION

Our Board of Directors does not intend to bring any other matters before the Annual Meeting, nor does it know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this proxy statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board of Directors.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company’s stockholders may be “householding” our proxy materials. A single copy of the proxy materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of the proxy materials, please (1) notify your broker, or (2) direct your written request to NextPlat Corp, 3520 Mary St., Suite 410, Coconut Grove, FL, Attention: Corporate Secretary. Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their brokers. In addition, upon written request to the address set forth above, we will promptly deliver a separate copy of the proxy materials to any stockholder at a shared address to which a single copy of the documents was delivered.

STOCKHOLDER PROPOSALS AND SUBMISSIONS

Pursuant to Rule 14a-8 under the Exchange Act (“Rule 14a-8”), a stockholder who intends to present a proposal at our next annual meeting of stockholders (the “2024 Annual Meeting”) and who wishes the proposal to be included in the proxy statement and form of proxy for that meeting must submit the proposal in writing no later than the close of business on December 12, 2023, after which date such stockholder proposal will be considered untimely. Such proposal must be submitted to our executive offices located at 3520 Mary St., Suite 410, Coconut Grove, FL 33133, Attn: Secretary.

In order for proposals of stockholders made outside of Rule 14a-8 to be considered “timely” within the meaning of Rule 14a-4(c) promulgated under the Exchange Act, such proposals must be received by the Corporate Secretary at the above address before the close of business on February 25, 2024.

Whether or not you expect to be present at the Annual Meeting, please sign and return the enclosed proxy promptly. Your vote is important. If you are a stockholder of record and attend the Annual Meeting and wish to vote in person, you may withdraw your proxy at any time prior to the vote.
