Item 8.01 Other Events.

On September 18, 2011, Silver Horn Mining Ltd. (the "Company") received a notice from a third party claiming that, of the Company's 14 mining claims on the COD Property in Mohave County, Arizona, 9 are situated overlapping this third party's 7 claims that allegedly predate the Company's claims, and requesting that the Company cease and desist from sampling or removing any ores from these properties. The Company believes that the third party's demands are without merit. On October 3, 2011 the Company requested that the third party disclaim any interest in its alleged claims by executing and delivering to the Company a quitclaim deed with respect to the third party's 7 claims. If the third party fails to execute and deliver the quitclaim deed by October 25, 2011, the Company may pursue any and all available legal actions and remedies.
